INTRODUCING OUR CLUB

The main tenet of the Azzurri Storm Soccer Club is to have a positive environment and team culture to promote the development of players and citizens of the world.

THE FUTURE IS PURPLE

AZZURRI STORM
SOCCER CLUB

Established in 1993, Azzurri Storm has grown exponentially since Bonita Storm transitioned to Azzurri Storm in 2014 and is now the second-largest Orlando City affiliate club since our acceptance in 2018. Our steady growth positioned our top teams to compete at the National PRO League level in 2022.

Our acceptance in the USYS National League in 2023 was successful with the majority of our teams finishing with top-to-mid table results. Loyalty and belief in our program set the foundation for these accomplishments at a local grassroots level and we thank our staff, coaches, and players for their dedication and commitment.

ORLANDO CITY AFFILIATE **ORLANDO PRIDE AFFILIATE**

Orlando City and Orlando Pride affiliates serve as direct scouting platforms for Orlando City Developmental Academy. They are the foundation of the Orlando City and Orlando Pride Developmental Pyramid. In addition to serving as a direct talent pipeline to professional academies, affiliate players enjoy unmatched access to first team players, coaches, facilities, and exclusive matchday experiences. Participants receive priority opportunities for player walkouts, ball kid roles, fantasy camps, closed training sessions, and player appearances at Soccer Schools. Each affiliate player also receives complimentary tickets to Orlando City and Orlando Pride matches.

MLS NEXT ACADEMY

Our partnership with the Orlando City Youth Soccer Network has produced numerous opportunities for our players to be identified. Academy friendlies between our senior teams versus Orlando City MLS Next teams, ID events hosted by Orlando City, plus numerous training sessions run by the technical staff and scouts from Orlando City Soccer School at our home fields have given our players opportunities to be scouted and developed by Orlando City.

MLS ACADEMY: Azzurri Storm is a proud Orlando City affiliate since 2018 and the second largest affiliate club in Florida. Players have scouting, recruitment, and guest player opportunities.
